# **Don't Feel Trapped with Your Extended Auto Warranty**

You know when you're out shopping and you find exactly what you want...and it's on sale! You get all excited and head to the register, then you hear those dreaded words, "No returns on sale items" and your confidence goes down the drain. You start second-guessing yourself with thoughts like, "Do I really want it?" or "What if I get it home and something is wrong?"

Well, even though shopping for an extended auto warranty may not be as much fun as the above scenario, here's how we spell peace of mind when you decide to purchase your warranty with DCI Warranty Services:

**Our Cancellation Guarantee** – If your circumstances change after purchasing your extended auto warranty and you need to cancel, you can get a pro-rated refund so you only pay for the time the warranty was enforced.

Phew...sigh of relief. But I'm confident you won't ever want to cancel your extended auto warranty with us. So go ahead request a free quote and one of my independent agents will spend as much time as you need to research the best extended auto warranty for you.
